Celebrate music with your children! Come sing and play songs students have been learning in music class with Camilia. All families and students are invited for an evening of making music together.

Community Music Night is on Wednesday, February 19th 5:30-6:15pm in the gym. Everyone will be given the words and taught some of the songs that the students have been working on in class. Students will help their families and friends learn how to play, sing, and dance. *Come sing, play, and move!*
